Logo Structure and Proportions

The relative proportions and structure of the logotype as well as the symbol cannot be altered. It is preferable to use the structure provided on this page as a reference to check the positioning of the elements with their correct sizes and proportions.

Horizontal Signature

Vertical Signatures

Minimum Clear Space

Always maintain the minimum clear space around the logo to preserve its integrity. To maintain visual clarity and to provide maximum impact, the logo must never appear to be crowded by copy, photographs or graphical elements.

The minimum clear space must never differ proportionally from the diagram demonstrated on this page.

Horizontal Signature

Vertical Signatures

Minimum Size

To protect its legibility and impact, the logo must never be reproduced in a size smaller than the one shown on this page.

Winterization Template

The winterization template is constituted of:

1. A blue header that holds the logo and headline.

2. A 2-column grid

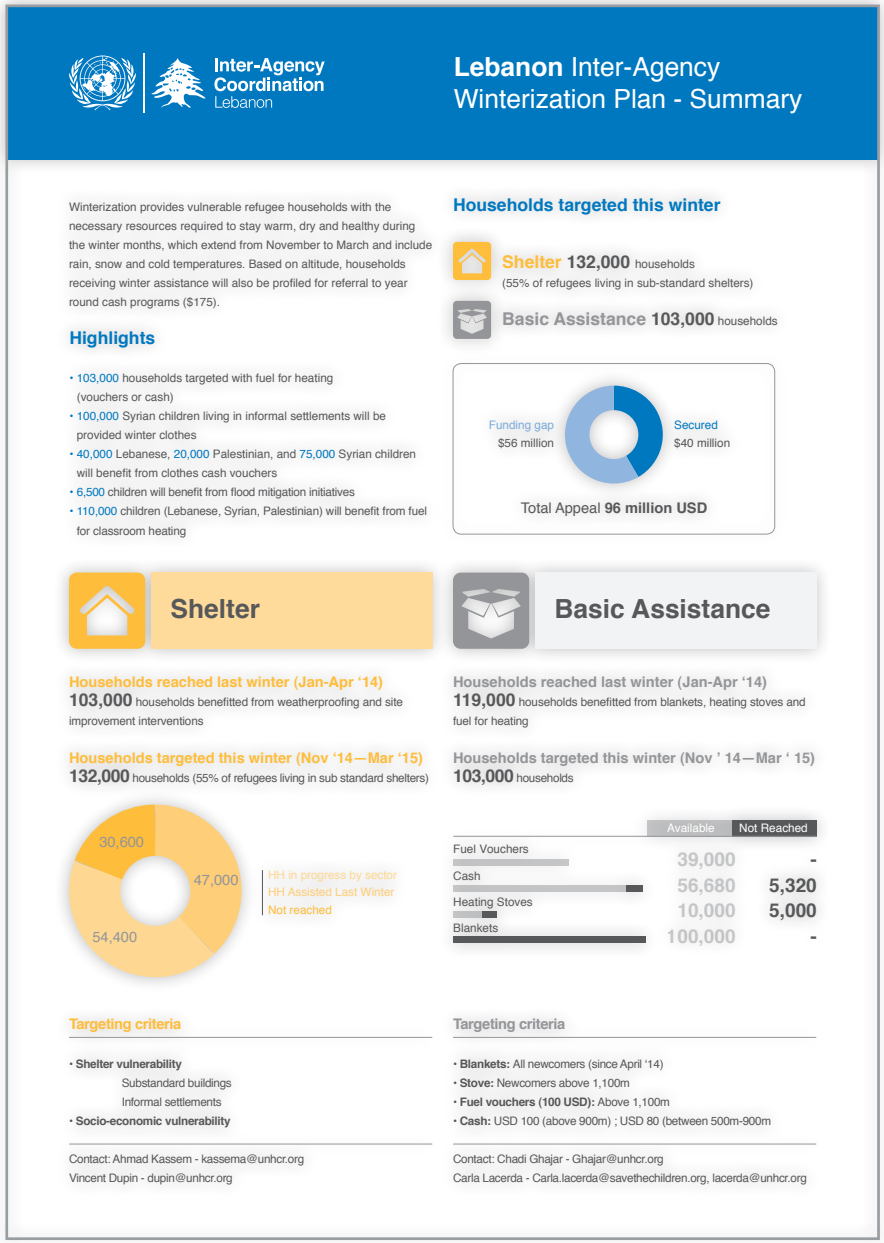

3. Headlines: Helvetica Bold 12pt

4. Body copy: Helvetica Regular 8pt

The copy snaps to an assigned baseline grid with an increment every 13pt.

Highlighting a specific word or number can be done by either changing its color or having it bolder and bigger (12pt).

Colors are applied as per the color coding for each section.

Dashboard Template

The dashboard template follows a defined structure for content with designated spaces for each topic as shown on the right.

It is constituted of:

1. A header divided into 2 parts:
   - working group icon and name
   - key fact and Inter-Agency logo

2. A 4-column grid

3. Headlines: Helvetica Bold 13pt

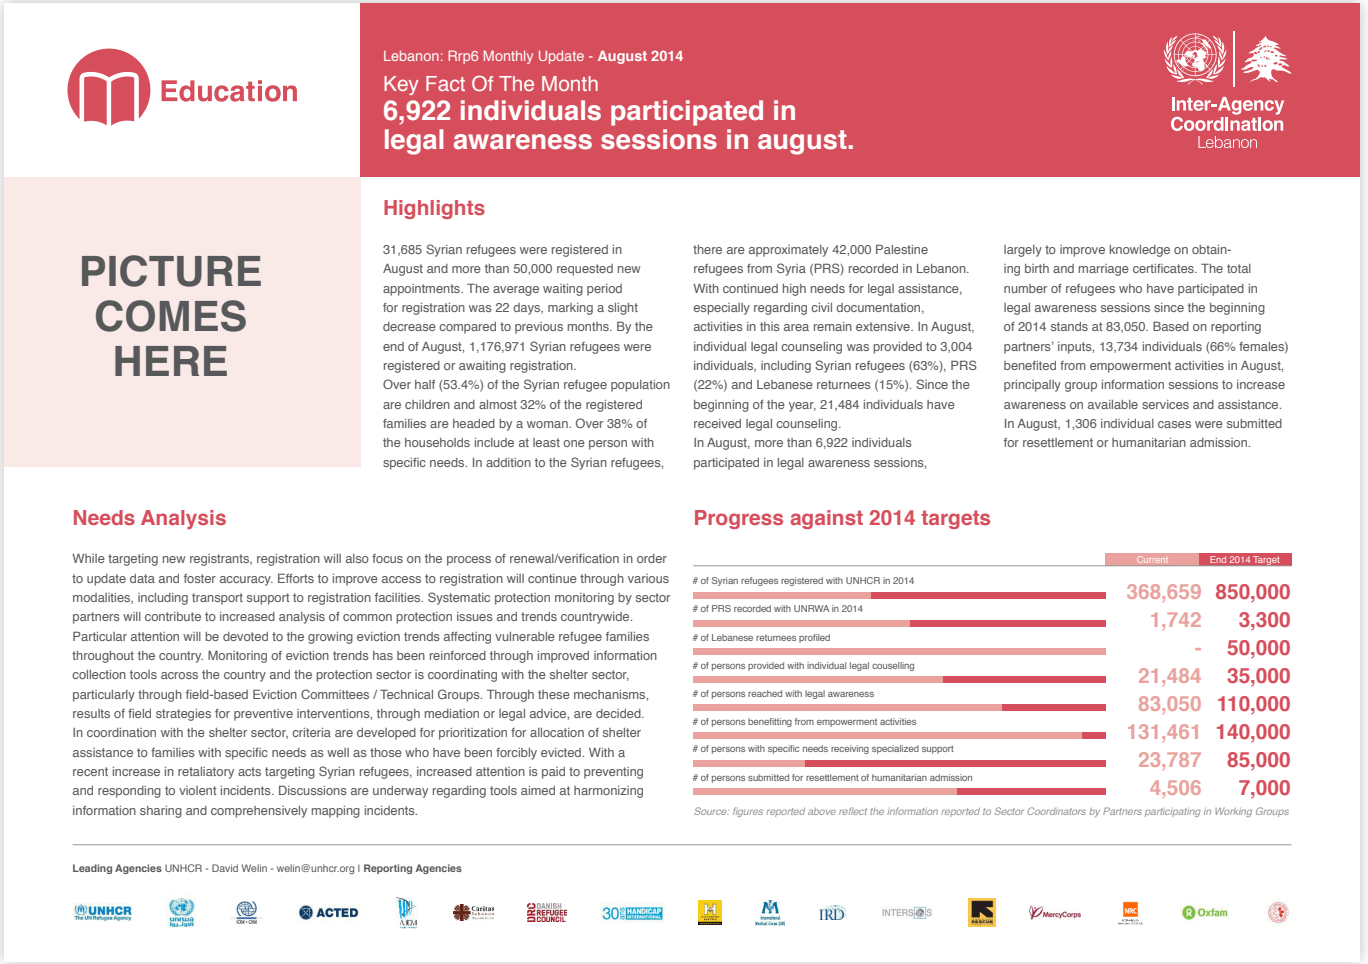

4. Body copy: Helvetica Regular 8pt

5. A space for an image

6. A footer

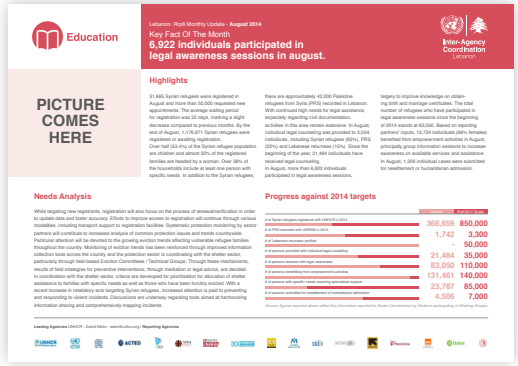

The copy snaps to an assigned baseline grid with an increment every 12pt.

Each dashboard follows the working group's respective color.
